REGULATION AC2.4 Recognition of Non-certified Prior Learning

A registered student of the University may apply for the recognition of competencies gained through experience for the purpose of gaining exemption for a course or courses that form part of the curriculum of the programme he/she is registered for.

Students wishing to apply for such recognition of prior learning should do so in writing indicating clearly the course(s) that they wish to be assessed for, and should pay the prescribed fee. Such candidates should construct a portfolio of evidence of the learning and present this to the relevant Head of Department for appraisal. The Head of Department will grant access to the assessment of prior learning process based on his/her appraisal of the portfolio of evidence.

Candidates granted access to assessment of prior learning would be assessed using a set of assessments, which is equivalent in standard and content to the normal assessment in the course, and would be required to pay a further fee.
