

# Farewell to a Great Leader

## A final Tribute

Late H.E. Dr Hage G Geingob

1941 - 2024

In Namibia's heart a giant once stood  
Tall and mighty, his presence good  
Bold and fearless, with stature grand  
With a heart of gold shared across the land  
Decisive and brazen, his thoughts did soar  
A people's person, forevermore

In rooms and stadiums, he'd often be found  
Where his joy knew no bounds  
With each goal scored, a smile would gleam  
In his eyes a brave nation's dream  
His legacy lives on in the Namibian sky  
Hage Geingob's spirit shall never die
