## Final Call for Abstracts for the Future Leaders Summit 2023

This is the final call for abstracts for the Future Leaders Summit. Those who have already submitted their abstracts are not required to do so again. Only those still interested, are encouraged to submit abstracts before the **Friday, 19 May 2023**.

Abstracts should be no more than 250 words, single-spacing, using font size 12 Times New Roman.

Abstracts should highlight major points of your research and explain why your work is important, what your purpose was and how you went about your projects, what you learned and finally, what you concluded as well as the format in which you would like to present your research.

**All abstracts should be forwarded to [amcnally@nust.na](mailto:amcnally@nust.na) before the due date.**

If you have more questions or need clarification on the format of abstracts, please contact Ms Aletta McNally at +264 61 207 2453, Mondays to Fridays between 07:30-16:30.

The review committee will contact successful candidates after **Friday, 19 May 2023** on the way forward.
