NUST Sports Society

Public Lecture

Theme: Changing the Future of Sport in Namibia

The NUST Sports Society cordially invites the Namibian community to a public lecture where pertinent issues affecting our sport industry will be discussed. The Public Lecture will zero in on the creation of opportunities for all, strategies that should be adopted to professionalise our sport as well as the visibility of Namibian Sport at international levels. Attend this Public Lecture and seize the opportunity to hear from tried and tested Namibian sport experts who will educate the nation on how to take ownership of the change and development of sport in Namibia.
