2025 New Programme

Bachelor of Sustainable Transport Management Honours

Programme Overview

The Bachelor of Sustainable Transport Management Honours is a one-year programme offered by the Department of Marketing, Logistics, and Sport Management at NUST. It combines coursework with a mini-thesis, equipping students with advanced knowledge and skills in sustainable transport management. Designed for graduates of the Bachelor of Transport Management or related fields, the programme deepens understanding and application of key principles and techniques.

Admission Requirements

- Applicants must hold a bachelor's degree in Transport Management or a related discipline, such as Procurement and Supply Chain Management, Logistics, or similar, at NQF Level 7 with a minimum of 360 credits.
- Applicants may be required to address any academic gaps identified by the Department.
- Applicants should note that meeting the minimum requirements and applying does not necessarily ensure admission.

How to Apply

Download the application form: <https://www.nust.na/admissions#appforms>. Completed application and certified copies of qualifications can be submitted via:

- **Email:** admissions@nust.na
- **In person/physically at:** The Student Administration Service Desk, NUST main campus, 13 Jackson Kajuera Street.

Applications deadline: Wednesday, 05 February 2025

Registration: Monday, 03 February 2025

Late applications close: Tuesday, 11 February 2025

Application fee: N\$360

No late applications will be accepted.
