

2025 Applications NOW OPEN!

Faculty of Engineering and the Built Environment

School of Engineering

Admission Requirements

- **Bridging programme (InSTEM):** 22 points in five subjects including D-symbols at NSSCO Level in Mathematics and Physical Science or Physics + Chemistry.
- **BTech programmes:** 30 points in five subjects including a Grade 3 on NSSCH, or d-symbol on NSSCAS or an A-symbol on NSSCO in Mathematics and Physical Science or Physics + Chemistry, and a D-symbol in English on NSSCO.
- **Professional B.Eng programmes:** 37 points in five subjects including Grade 3 on NSSCH or D-symbols on NSSCAS in Mathematics and Physical Science or Physics + Chemistry, and a D-symbol in English on NSSCO.
- Current Grade 11 and 12 learners must apply with their mid-term results.
- **Mature Age Entry Applicants are not considered for this school.**

Undergraduate Programmes

Bridging Programme:

- Introduction to Science, Technology, Engineering and Mathematics (InSTEM)

Bachelor of Technology Degrees: (NQF Level 7)

- Civil Engineering
- Electronic Engineering
- Mechanical Engineering
- Power Engineering

Professional Bachelor of Engineering Degrees (NQF Level 8)

- Civil Engineering
- Chemical Engineering
- Electrical Power Engineering
- Electronics and Telecommunication Engineering
- Industrial Engineering
- Mechanical Engineering
- Metallurgical Engineering
- Sustainable Energy Systems
- Mining Engineering

Postgraduate Programmes

Master of (NQF Level 9)

- Civil Engineering
- Environmental Engineering
- Industrial Engineering
- Integrated Water Resources Management

Doctor of Philosophy in (NQF Level 10)

- Engineering

School of the Built Environment

Minimum Admission Requirements

- A minimum of 25 points in five subjects including an E-symbol in English on NSSCO. Individual programmes may have additional admission requirements or a higher point score. For further information visit our website at <https://www.nust.na>.
- **Mature Age Entry Applicants are welcome to apply in this school.**

Undergraduate Programmes

Bachelor of (NQF Level 7)

Diploma in (NQF Level 6)

- Diploma in Geomatics
- Diploma in Property Studies
- Bachelor of Architecture
- Bachelor of Geomatics
- Bachelor of Geoinformation Technology

Bachelor of Land Administration

- Bachelor of Property Studies (NQF Level 8)
- Bachelor of Regional and Rural Development
- Bachelor of Quantity Surveying
- Bachelor of Urban and Regional Planning

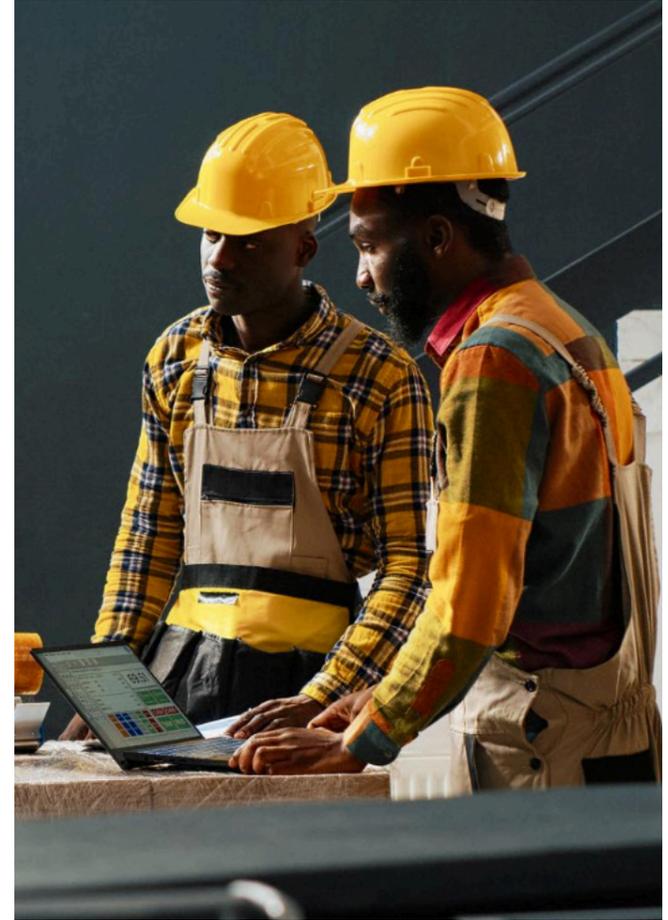

Postgraduate Programmes

Bachelor of (NQF Level 8)

- Architecture Honours
- Geomatics Honours
- Architecture Honours
- Geoinformation Technology Honours
- Land Administration Honours
- Regional and Rural Development Honours
- Urban and Regional Planning Honours

Master of (NQF Level 9)

- Architecture
- Spatial Science

Faculty of Health, Natural Resources and Applied Sciences

Undergraduate Qualifications

Admission Requirements

A minimum of 25 points in five subjects including an E-symbol in English on NSSC Ordinary Level. Individual programmes require Mathematics and Science at different levels. For more information, visit our website at www.nust.na. Current Grade 11 and 12 learners must apply with their mid-term results.

Programmes

- Bachelor of Environmental Health Sciences (NQF Level 8)
- Bachelor of Emergency Medical Care (NQF Level 7)
- Bachelor of Science in Horticulture (NQF Level 7)
- Bachelor of Human Nutrition (NQF Level 8)
- Bachelor of Medical Laboratory Sciences (NQF Level 8)
- Bachelor of Natural Resources Management (NQF Level 7)
- Bachelor of Science (NQF Level 7)
- Bachelor of Science in Agriculture (NQF Level 7)
- Bachelor of Science in Applied Mathematics and Statistics (NQF Level 7)
- Bachelor of Science in Health Information Systems (NQF Level 7)

Postgraduate Qualifications

Minimum Admission Requirements.

A recognised degree in a related discipline or an equivalent qualification at NQF Level 7 for Honours degrees, NQF Level 8 for Masters degrees and NQF Level 9 for Doctoral degrees. Individual programmes may have additional admission requirements.

Bachelor of (NQF Level 8)

- Emergency Medical Care Honours
- Natural Resources Management Honours
- Science Honours in Agriculture
- Bachelor of Science Honours in Applied Mathematics
- Science Honours in Applied Statistics
- Science Honours with specialisations in Applied Biology, Biotechnology, Applied Chemistry and Applied Physics
- Science Honours in Health Information Systems Management

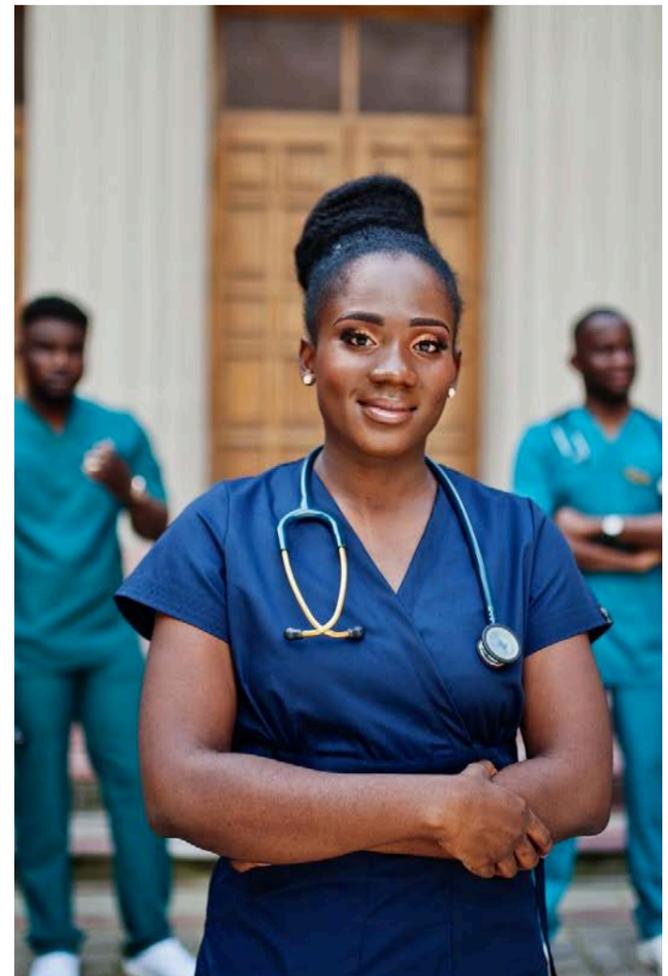

- Natural Resources Management
- Science in Applied Mathematics
- Science in Applied Statistics
- Science in Natural and Applied Sciences

Doctor of Philosophy in (NQF Level 10)

- Health Sciences
- Mathematics
- Natural and Applied Sciences
- Statistics

Master of (NQF Level 9)

- Agribusiness Management
- Health Sciences

NB: Applications for postgraduate programmes, or programmes via advanced standing or resumption of studies, must be submitted manually.

Faculty of Commerce, Human Sciences and Education

Undergraduate Qualifications

Admission Requirements

Bridging Programmes: 22 points in 5 subjects including an E symbol in English at NSSC Ordinary Level. On completion applicants may enroll for any undergraduate programme in this Faculty.
Certificate programmes: 22 points in 5 subjects including an E symbol in English and a D symbol in Mathematics at NSSC Ordinary Level. On completion applicants may enrol for the Bachelors degree in Procurement and Supply Chain Management.
Degree / Diploma Programmes: 25 points in 5 subjects including an E symbol in English on NSSC Ordinary Level.

Individual programmes may require higher pass rates in Mathematics and English. For further information visit our website.

Programmes

BRIDGING:

- Non-STEM
- TVET Hospitality
- TVET Agriculture

Certificate in:

- Procurement and Supply Chain Management (NQF Level 5)

Diploma in (NQF Level 6)

- Technical and Vocational Education and Training: Trainer (DTVTV)
- Technical and Vocational Education and Training: Management (DTVM)

- The Theory of Accounting (NQF Level 7)

Bachelor of (NQF Level 7)

- Accounting
- Accounting (Chartered Accountancy)
- Business Management
- Business and Information Administration
- Communication
- Criminal Justice in Correctional Management
- Criminal Justice in Policing
- Culinary Arts
- Economics
- English and Linguistics
- Entrepreneurship

- Hospitality Management
- Human Resources Management
- Marketing
- Public Management
- Procurement and Supply Chain Management
- Sport Management
- Tourism Innovation and Development

Postgraduate Qualifications

Admission Requirements

A recognised degree in a related discipline or an equivalent qualification at NQF Level 7 for Honours degrees and NQF Level 8 for Masters degrees. Individual programmes may have additional admission requirements.

Programmes

Bachelor of (NQF Level 8)

- Accounting Honours
- Business Management Honours
- Economics Honours
- Education Planning and Administration Honours
- Communication Honours
- Criminal Justice Honours
- English and Linguistics Honours
- Human Resources Management Honours
- Industrial and Labour Relations Honours
- Logistics and Supply Chain Management Honours
- Hospitality and Tourism Management Honours
- Marketing Honours
- Public Governance Honours

Postgraduate Diploma in (NQF Level 8)

- Management
- Procurement
- Higher Education

Master of (NQF Level 9)

- Applied Econometrics
- Business Administration
- English and Applied Linguistics
- Hospitality and Tourism Innovation Management
- Human Resources Management
- Hospitality and Tourism Innovation
- Leadership and Change Management
- Logistics and Supply Chain Management
- Management
- Marketing

NB: Applicants who apply for admission via Mature Age Entry, Advanced Standing, Resumption of Studies and Postgraduate Programmes must download the application forms and submit manually..

Faculty of Computing and Informatics

Undergraduate Qualifications

Admission Requirements

A minimum of 25 points in five subjects including a D-symbol or better in Mathematics for Computer Science and Informatics, and a C-symbol or better for Cyber Security at NSSC Ordinary Level. The Journalism programme requires at least a D-symbol or better for English on NSSC Ordinary Level. Grade 11 and 12 learners must apply with their mid-term results.

Mature age applications are not considered for this faculty except the Bachelor of Journalism and Media Technology.

Programmes

Bachelor of (NQF Level 7)

- Computer Science
- Computer Science in Cyber Security
- Informatics
- Journalism and Media Technology

Postgraduate Qualifications

Admission Requirements

A recognised degree in a related discipline or an equivalent qualification at NQF Level 7 for Honours degrees, NQF Level 8 for Masters degrees and NQF Level 9 for Doctoral degrees. Individual programmes may have additional admission requirements.

Bachelor of (NQF Level 8):

- Computer Science Honours specialising in Communication Networks, Software Development, Information Security or Digital Forensics.
- Informatics Honours specialising in Web Informatics or Business Informatics
- Journalism and Media Technology Honours

Master of (NQF Level 9)

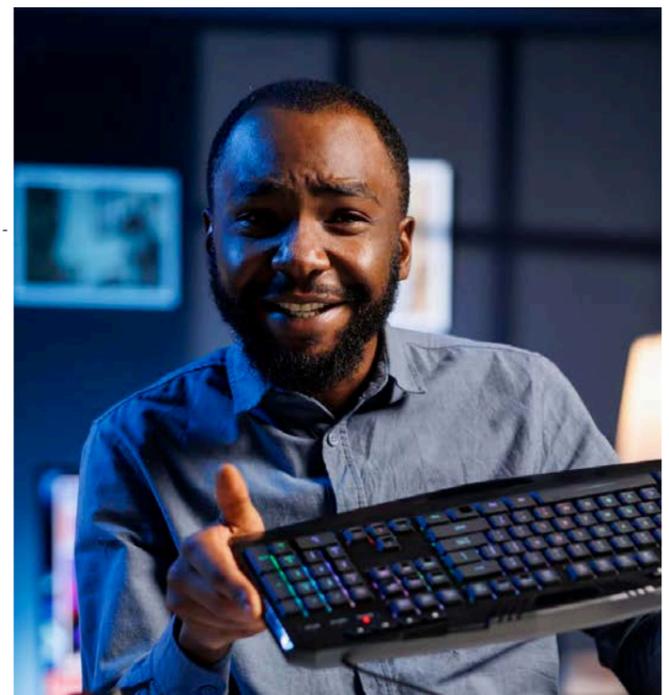

- Computer Science
- Data Science
- Informatics
- Journalism and Media Technology

Doctor of Philosophy in (NQF Level 10)

- Computer Science
- Informatics

Postgraduate Certificate in (NQF Level 8)

- Informatics (Information Systems Audit)

NB: Mature Age Entry (only available for the Journalism programme).

Application Information

Deadline for Applications:

Mature age entry: 30 August 2024
All other applications: 04 October 2024

Application Fees:

Undergraduate – N\$240
Postgraduate – N\$360
Online – N\$150 (Undergraduate studies only)

How to Apply:

Download the application form from:
