2025 New Programme Master of Accounting

Elevate your professional expertise in Accounting and Finance by enrolling for the newly offered Master of Accounting programme at NUST!

Programme Overview

The programme is designed to equip students with advanced knowledge and practical skills in the accounting field. This programme integrates coursework and research, empowering students to navigate and solve complex financial and accounting challenges effectively.

Admission Requirements

- An Honours degree in Accounting or an equivalent qualification at NQF Level 8. Candidates with professional qualifications such as ACCA, CIMA, CIA, CA(NAM), etc. are also eligible for the programme.
- Applicants must have completed advanced courses in financial accounting, auditing, taxation and advanced management accounting and finance at NQF Level 8 or professional qualifications such as ACCA, CIMA, CIA, CA (NAM).

Programme Structure

The Master of Accounting programme spans two years and includes rigorous coursework and a significant research component.
