

CALL TO PARTICIPATE

1st JOINT ANNUAL INTERNATIONAL CONFERENCE 2022 (JAIC 2022)

**Theme: Sustainable Development (SD) and
Global Challenges in the 21st Century**

Date: 28 -29 September 2022

Mode: In-person and virtual participation

Venue: Namibia University of Science and Technology (NUST),
Auditorium one, Lower Campus, Windhoek, Namibia

1st Joint Annual International Conference 2022 (JAIC 2022) aims to bring together academics, practitioners, researchers, policy makers, scholars and stakeholders from across the globe to share their experiences and research output through academic dialogues pertaining aspects of sustainable development and global challenges facing the 21st century. The conference will also offer a platform to share practical solutions and recommendations to the challenges that are prevalent to Namibia, Africa, and the world at large.

The JAIC will focus on the following themes:

- Business and Accountancy for Sustainable Development
- Contemporary Economic Issues
- Political Science, International Relations & Global Health Crises

Conference participation is free and open to the public. Participation by students is highly encouraged Limited seats available for in-person participation.
