**Dear NUST Staff and Students**

**Re: COVID-19 LOCKDOWN MEASURE #9**

In line with His Excellency President Hage Geingob's announcement on Tuesday, 14 April 2020, the lockdown has been extended to **midnight on Monday 04 May 2020**.

The initial lockdown which only targeted the Khomas and Erongo regions, will now apply to all 14 regions of the country in order to minimise the impact of COVID-19 on the Namibian nation.

**The University's Management will communicate further academic and administration directives as soon as possible.** Meanwhile, all staff and students are strongly advised to remain calm, cooperate with authorities and allow them to work unhindered and respect regulations in place.

Your cooperation on this matter is highly appreciated. Please continue to limit your movement, wash your hands regularly and immediately report any symptoms associated with the virus to **0800 100 100**. Stay safe and healthy.

Sincerely
