

10 September 2020

Dear Staff and Students

**RE: CONFIRMED COVID-19 POSITIVE CASES AND RECOVERIES**

The Namibia University of Science and Technology (NUST), hereby informs its campus community and the public that one (1) staff member from the Namibia Energy Institute (NEI) received a positive test result for COVID-19 on 10 September 2020.

On another note, I am pleased to announce that we have seven (7) recoveries. These are from the previously confirmed cases in the following departments/faculties: International Relations (IR); Architecture and Spatial Planning (ASP); Office of the Registrar (REG); Department of Technical and Vocational Education and Training (DTVET); Faculty of Computing and Informatics (FCI), and Centre for Enterprise Development (CED).

Cumulative Confirmed Cases	15
Newly Confirmed Cases	1
Cumulative Recovery Cases	7
Active Cases	8

**No staff/student is allowed to frequent public places whilst in self-isolation, or awaiting test results,** unless doing so for medical purposes. In addition, NUST will regard this self-isolation period as special leave with pay. Should a staff/student violate the condition of isolation, NUST reserve the right to institute disciplinary actions. This provision also applies to anyone reporting a false case of Covid-19.

Campus security is instructed to ensure that all persons entering the NUST campus premises must wear a facemask, sanitise their hands regularly, maintain a social distance of not less than two (2) metres and that their body temperature is tested. Furthermore, anyone who exhibits symptoms associated with the virus is reminded to immediately report to the Ministry of Health and Social Services' Toll-Free number **0800 100 100**.

The University will continuously keep stakeholders updated on any significant developments with respect to these alerts.

Sincerely yours,

Dr Andrew Niikondo  
Acting Vice-Chancellor
