

03 September 2020

Dear Staff and Students

RE: CONFIRMED COVID-19 POSITIVE CASES

The Namibia University of Science and Technology (NUST), hereby informs its campus community and the public that five (5) staff members received positive test results for COVID-19 between 25 August 2020 and 02 September 2020. 1x from the Office of the Registrar, 1x from the Faculty of Computing and Informatics, 2x from the hotel school and 1x from the Centre for Enterprise Development (CED).

The staff member from the Registrar's office shares an office with a previously confirmed positive case.

On another note, I am pleased to announce that we have one recovery, from the previously confirmed case from the International Relations office.

Cumulative Confirmed Cases	14
Newly Confirmed Cases	5
Recoveries	1

No staff/student is allowed to frequent public places whilst in self-isolation, or awaiting test results, unless doing so for medical purposes. In addition, NUST will regard this self-isolation period as special leave with pay. Should a staff/student violate the condition of isolation, NUST reserve the right to institute disciplinary actions. This provision also applies to anyone reporting a false case of COVID-19.

Campus security is instructed to ensure that all persons entering the NUST campus premises must wear a facemask, sanitise their hands regularly, maintain a social distance of not less than two (2) metres and that their body temperature is tested. Furthermore, anyone who exhibits symptoms associated with the virus is reminded to immediately report to the Ministry of Health and Social Services' Toll-Free number **0800 100 100**.

The University will continuously keep stakeholders updated on any significant developments with respect to these alerts.

Sincerely yours,

Dr Andrew Niikondo
Acting Vice-Chancellor
