

Important Notice to October 2021 NUST Graduands

Announcement

The traditional NUST Spring Graduation will not take place in line with current national COVID-19 guidelines. However, our October 2021 Graduation Ceremony will take place in a hybrid format, as it will be **virtual and a drive-through**. The event will be live-streamed on the NUST Facebook page and YouTube Channel on **Friday, October 22, 2021 at 08:30**. A drive-through graduation will take place, with graduates allowed to **participate strictly by vehicle, and travelling past the HTTPS building (Beethoven Street) starting from the corners of Haydn, Brahms and Weber Street in Windhoek West**.

Important Information:

- Certificates:** Certificates will not be printed and distributed immediately following the graduation ceremony for those candidates whose names were submitted to the Examinations Department after the deadline of Friday, September 15, 2021. Their names, however, will appear in the graduation booklet.
- Once NUST receives the certificates for which names were received after the above deadline, contact will be made with the respective individuals to collect their certificates. Please keep in mind that certificates can take up to five weeks to arrive.
- Accounts:** Candidates with outstanding debts will not obtain their certificates until their accounts have been settled.
- Hoods:** Academic hoods will not be available for rent. Graduates interested in purchasing NUST academic hoods can contact Ms. Hangula at rhangula@nust.na or 061 207 2056; the cost per hood is N\$200.
- Photos:** A photographer will be stationed at the drive-through Graduation Ceremony. For bookings, please get in touch with Streetleader Creative at info@streetleaderc.com. Photos are priced at N\$80 for two.
