

NATIONAL RESEARCH SYMPOSIUM

Call for Abstracts

The Ministry of Higher Education, Technology and Innovation (MHETI), in collaboration with the National Commission on Research, Science and Technology (NCRST), the University of Namibia (UNAM), the International University of Management (IUM), the Namibia University of Science and Technology (NUST), the Namibia Training Authority (NTA) and the Namibian College of Open Learning's (NAMCOL), will host a **Biennial National Research Symposium (NRS)** from 21-23 September 2022.

The Symposium will bring together researchers and related practitioners from all over Namibia to share their research experiences, expertise, and findings with the broader audience including the industry. The symposium hopes to create an enabling environment for the development of the research capacity in Namibia, while creating a knowledge brokerage system between researchers, research institutions and industry, general public, scholars and policy makers.

Call for Abstracts:

Researchers are invited to submit abstracts of papers for consideration and presentation during the symposium. The abstract should also indicate relevance to one or a combination of the Priority Thematic Areas in line with the National Programme on Research, Science Technology & Innovation (NPRSTI), click on the link below to view them.

For more information, guidelines and submission of abstracts; kindly visit: <https://ncrst.na/>

Deadline for Submissions: Friday, 12 August 2022
