

Office of the Registrar

17 February 2021

TO: First-year Students (new intake) and NSFAF-funded Senior Students

FROM: Acting Registrar 

SUBJECT: **MANDATORY POCKET WI-FI DEVICES FOR FIRST YEAR STUDENTS AND NSFAF BENEFICIARIES**

The Ministry of Higher Education, Technology and Innovation (MHETI), through the Namibia Students Financial Assistance Fund (NSFAF), acquired subsidised mobile devices to assist Namibian students with the transition to Remote Teaching, Learning and Assessment. The devices were made available to NUST and are **mandatory** for all **first-year students (new intake)** and **Senior Students who are NSFAF beneficiaries**. These devices are **available** at a discounted price of **N\$345**. In addition, the devices will be automatically loaded with **10 Gb** of data **per month for free for 12 months**. This offer is **optional** to all other Namibian students and who are eligible to purchase these devices at the same price.

Students, who fall in the aforementioned categories, are expected to pick up their devices at the **NUST Main Campus** or the nearest **NUST Regional Centre**, after receiving a notification via SMS or e-mail. Please note that this depends on where you indicated to collect your student card when you registered. Your **Proof of Registration/Statement, Student Card, and Identity Card** must be presented upon collecting the pocket Wi-Fi device.

Also take note that the amount of N\$345 will be automatically billed to the student's account.

Thank you.
