

CALL FOR APPLICATIONS FOR STAFF MOBILITY (2022)

ERASMUS +Programme KA 107

As part of the inter-institutional agreement between the Namibia University of Science and Technology (NUST) and the University of Huelva (UHU), within the framework of the ERASMUS + Programme, the Department of Geo-Spatial Sciences and Technology, within the Faculty of Natural Resources and Spatial Sciences, offers two (might be extended to four) scholarships **to motivated Staff members** willing to promote NUST within the ERASMUS community and strengthen our ties with the University of Huelva in the following areas of interest:

- **Environmental Protection Technology**
- **Horticulture**
- **Forestry**
- **Crop and Livestock production**

Description of the mobility Programme

1. **Mobility Duration:** 5 days + 2 days travel.
2. **Financial allocation:** 120 euros/working day (including 2 days of travel) + 820 euros for travel expenses.
3. **Area of study:** Forestry, Crop and Livestock, and Environmental Protection Technology.
4. **Dates:** 25th– 29th April 2022 (UHU International Week)
5. **Mobility activity (two modes)**
 - a. **Staff for training (Preferable NUST Department of International Relations Office Staff):** Attending the UHU International Week events. Collaborate with small presentations related to NUST Internationalization strategy and other topics interesting for the ERASMUS community.
 - b. **Staff for teaching (Only for Academic Staff members):** Collaborate with teaching activities during one week in the host University (**this mode must be discussed previously with UHU Academic coordinator**).

Requirements

1. Staff member from NUST (**Department of Geo-Spatial Science and Technology or Department of International Relations Office**).
2. For Training Mode: High Level of commitment and participation in the ERASMUS + Programme and/or in the academic activities of the DGST. This position is designed for Administrative Staff, therefore only Staff members with administrative responsibilities can apply (HoD, DHoD, Section Heads, Research Coordinators).
3. Applicants should submit the following:

- a. Submission of a **short motivation letter** explaining why you want to take part in the programme.
- b. Submission of a **short Biography including the List of Projects/ Topics** which you would be willing to present as part of the International week (**Staff for training**) or the courses you would be teaching (**Staff for teaching**).
- c. Accreditation of **Spanish language Skills** (if available).

Selection process

The criteria for selection will be as follows:

Criterion	Points
Education and work experience related to the mobility focus	20 %
Level of participation and commitment with ERASMUS Programme and administrative tasks at DGST	70 %
Spanish language Skills	10 %
TOTAL	100%

Deadline for the submission of applications is on or **before 16:30 on February 23, 2022**. Applications can be submitted online via email to:
