Dear Staff and Students

RE: Current 2021 NUST COVID-19 Statistics

To date, the active COVID-19 positive cases recorded at the Namibia University of Science and Technology (NUST), are pegged at 169, whilst the total cumulative cases since the beginning of the pandemic are 217.

There are 17 new infections and 1 death, which were reported between 25 June 2021 and 01 July 2021. These include only staff members.

Table 1: *Summary of the NUST COVID-19 Statistics*

Recoveries	101
Recovery Rate	46.5%
Newly Confirmed Cases	17
Cumulative ACTIVE Cases	113
Total Cumulative Confirmed Cases	217
Cumulative Confirmed Staff	154
Cumulative Confirmed Students	63
Cumulative COVID-19-related Deaths	3

Colleagues and students, we need to remain cautious at all times and let us continue to support and protect each other during these unprecedented times.

Yours Sincerely,

Mr Kaitira E. Kandjii
Director: Marketing and Communications
