Dear Staff and Students

RE: Current 2021 NUST COVID-19 Statistics

To date, the active COVID-19 positive cases recorded at the Namibia University of Science and Technology (NUST), are pegged at 153, whilst the total cumulative cases since the beginning of the pandemic are 200.

There are 29 new infections, which were reported between 17 June 2021 and 24 June 2021. These include 24 staff members and 5 students.

Table 1: *Summary of the NUST COVID-19 Statistics*

Recoveries	93
Recovery Rate	46.5%
Newly Confirmed Cases	29
Cumulative ACTIVE Cases	107
Total Cumulative Confirmed Cases	200
Cumulative Confirmed Staff	137
Cumulative Confirmed Students	63
Cumulative COVID-19-related Deaths	2

Colleagues and students, we need to remain cautious at all times and let us continue to support and protect each other during these unprecedented times.

Yours Sincerely,

Mr Kaitira E. Kandjii
Director: Marketing and Communications
