**NOVEMBER 2020 GRADUATION ANNOUNCEMENT**

**RE: NUST TO HOLD VIRTUAL GRADUATION DUE TO COVID-19 PANDEMIC**

Due to the COVID-19 pandemic, the Namibia University of Science and Technology (NUST), will once again hold a Virtual Graduation Ceremony this year. This semester, about 1 000 graduands are set to receive their qualifications, and in order to adhere to the COVID-19 guidelines on public gatherings, the ceremony will be held online. The University remains committed to keeping its staff and students safe during this time of uncertainty.

It must be noted that although the celebration will not take place in the usual format, NUST is still proud of its students' achievements, hence the graduands will receive recognition and be honoured during this prestigious ceremony.

The event will be livestreamed on the NUST social media platforms on Friday, 20 November 2020. The programme, in addition to other details, will be communicated in due course.
