Dear Staff and Students

RE: UPDATE POSITIVE COVID-19 TEST RESULTS

The Namibia University of Science and Technology (NUST) would like to inform its campus community and the public that two (2) staff members from the Department of Information and Communications Technology and the Department of International Relations received **positive test results** for COVID-19 on 08 August 2020.

The section areas have been disinfected, and contact tracing is being done by the Ministry of Health and Social Services for further action. The direct contact persons have also been self-isolating, and none showing symptoms.

The University will continuously keep stakeholders updated on any significant developments with respect to these alerts.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'A. Niikondo', written over a horizontal line.

Dr Andrew Niikondo
Acting Vice-Chancellor
