

Pap Smear and Breast Examination Clinic 2023

Announcement

The NUST Health Services in conjunction with the Cancer Association of Namibia, will conduct a clinic on pap smear and breast examinations.

The objectives are to inform women that:

- Cervical cancer can be detected by a pap smear test and if diagnosed early, it can be cured
- Regardless of age or marital status, getting tested annually is necessary if one is sexually active
- Breast lumps can be treated, if detected early
- Testing can detect the type of infection present in the vagina

Date: Tuesday, 07 March 2023

Time: 08:00 - 12:00

Venue: NUST Health Services (clinic)

Donation: N\$ 20.00 for Students and N\$ 100.00 for Staff Members
[Proceeds are donated to the Cancer Association]
