

**Thursday, 08 July 2021**

**Dear Staff and Students**

**RE: Current 2021 NUST COVID-19 Statistics**

Between 01 and 06 July 2021, seven (7) new COVID-19 positive cases, and one (1) death were recorded at the Namibia University of Science and Technology (NUST). The current total number of **cumulative ACTIVE POSITIVE cases is 101.**

The new infections were reported amongst the staff, whilst the death is that of a student.

Table 1: *Summary of the NUST COVID-19 Statistics*

<b>Recoveries</b>	<b>124</b>
Recovery Rate	54.15%
Newly Confirmed Cases	7
Newly Confirmed Deaths	1
<b>Cumulative ACTIVE Cases</b>	<b>101</b>
Cumulative COVID-19-related Deaths	4
Total Cumulative Confirmed Cases	229
Cumulative Confirmed Staff	159
Cumulative Confirmed Students	70

Our heartfelt condolences go out to the friends and family of the late student.

All members of the campus community are urged to continue adhering to the national prevention measures, and to stay optimistic during these difficult times.

**Social Distance, Sanitise, Wear a Mask, and Get Vaccinated! NUST needs YOU.**

Yours Sincerely,

Mr Kaitira E. Kandjii  
Director: Marketing and Communications
