Sciences and Education**

Certificate in Procurement Management (NQF Level 4)

The Namibia University of Science and Technology herewith invites prospective applicants to apply for the Certificate in Procurement Management (NQF Level 4), which is offered as a 6 month programme.

This programme is designed to equip students with the knowledge and ability to understand the fundamentals and principles of procurement management in the public and private sector. It aims at equipping students with the full range of knowledge, skills and abilities required for engaging in all aspects of the procurement processes. It is intended for starter and upskilling those individuals who are employed in roles that are predominately operational. It further aids persons aspiring to become procurement professionals and those who engage in the supply of goods and services using the procurement function in various industries.

Career Possibilities

Procurement Officers, Supply Chain Officers, Procurement Administrators, Junior Procurement Specialists, Junior Buyers, Junior Planners, etc.

Admission Requirement (s)

Applicants must have 22 points in 5 subjects including a minimum E-symbol in English and a D-symbol in Mathematics on NSSC Ordinary Level or equivalent. Or, candidates must have obtained any other school leaving certificate from other examination authorities that can be regarded as equivalent to the prescribed qualifications.

Mode of Delivery

The programme will be offered on full-time through hybrid and blended learning modes (block sessions), following the Namibia University of Science and Technology rules and regulations.

How to apply:
