## Debt Reprieve for Semester 2, 2024

1. **Self-funded students** who have settled all outstanding debts are to register without paying the deposit.
2. **Students with outstanding debts** must **reduce the debt to N\$10,000 and less** to register without paying the deposit. Thus, the system will allow a student to register if the account balance is N\$10,000 or less.
3. **Students unable to reduce their debts to N\$10,000** and less and without Payment Plans from prior semesters, must pay N\$2,250 deposit and sign a payment plan for the current semester.
4. **Students with previous Payment Plans** and who are **unable to reduce their balance to N\$10,000 and less**, must reduce that balance by 50% at least, and sign a new Payment Plan for the current semester.
5. Students are mandated to **make monthly payments** in order to clear their outstanding debt by December 2024.
6. **Orphans and marginalised students** (as recognised) to consult the Office of the Director of Students Services with the required documentation that would support their social status.
