Final Notice: Submission of Valid Study Permits

The Namibia University of Science and Technology (NUST) hereby reminds all international students that, in accordance with the University's directive, they are required to submit proof of their valid, endorsed study permits to the Office of the Registrar no later than Friday, 06 November 2026. Please follow the applicable instructions below, depending on your current immigration status:

1. Students Currently Studying Outside Namibia
   Students who are currently studying from their home countries or residing outside Namibia must email their student number, email address and current country of residence to:
   - akiimba@nust.na
   - emafwila@nust.na

2. Students in Possession of Valid Study Permits
   Submit a clear copy of your valid, endorsed study permit. Certification is not required.

3. Students Married to Namibian Citizens or Holding Permanent Residence
   Submit the relevant supporting documentation as follows:
   - **Students married to Namibian citizens:** Proof of Confirmation of Domicile.
   - **Permanent Residence Permit holders:** A copy of your Permanent Residence Permit (PRP).

4. Students Holding Other Types of Permits
   Please be advised that, according to the Ministry of Home Affairs, Immigration, Safety and Security (MHAISS), students may not simultaneously hold a study permit and another type of permit.

   The following requirements apply:
   - **Employment Permit (EP) holders:** Students wishing to pursue studies while holding an Employment Permit must submit a written request addressed to the Chief of the Immigration Selection Board (ISB), seeking permission to study.
   - **Temporary Residence Permit (TRP) holders:** Students holding this type of permit are not permitted to study and must apply for a valid study permit.
   - **Accompanying Permit holders (18 years and above):** Students who intend to pursue studies at the University must apply for a valid study permit.

If you have already submitted the required documentation, please disregard this notice. If you are unsure of your submission status, kindly visit the Office of the Registrar for clarification.

IMPORTANT NOTICE

Please take note of the following:

1. The University will not provide supporting documentation or alternative authorisation to students who have failed to obtain the required immigration approval. Failure to maintain valid immigration status may have serious consequences, including implications for your academic registration and your continued stay in Namibia.

2. Students are responsible for ensuring that they comply with all applicable immigration requirements and maintain valid immigration status throughout their period of study in Namibia.

FAILURE TO SUBMIT THE REQUIRED DOCUMENTATION BY FRIDAY, 06 NOVEMBER 2026, MAY RESULT IN DEREGISTRATION.
Your prompt attention and cooperation are appreciated.
