I/we, the undersigned hereby declare:

To the best of my knowledge and belief the information furnished in this application is true and correct and that if it be found to be false and misleading in any respect, this application may be invalidated and the applicant's registration terminated;

That I/we will accept liability for any damage to NUST property caused by me and indemnify NUST against any loss or damage howsoever caused in respect of property left at NUST by the applicant. I/we also indemnify NUST against any claim whatsoever for damages howsoever caused or arising which the applicant may sustain whilst registered as a student at NUST, acknowledging the Applicant's participation in any sporting or other activity at NUST or conveyance of the applicant in any NUST vehicle, shall be at the Applicant's sole and absolute risk. This indemnity shall be binding on the Applicant's Executors and Heirs;

That I/we acknowledge that a Specified Minimum Deposit is required before or on the date of registration each semester. The balance on the account is then payable monthly as per dates specified in the Yearbook Fees section;

That a statement signed by the Bursar or his/her delegate shall represent the amount owing to NUST by me/us, and further that in the event of such amount being handed over for collection, I/we shall pay all legal charges incurred on the attorney and client scale;

That I/we shall pay all interest on all overdue fees, and disbursements at a rate of 15% per annum compounded monthly and calculated from the first day of each month following the date by which final payment of all fees and disbursements must have been made;

That I/we shall abide by all regulations of NUST – and further that the applicants shall, if accepted, be under the disciplinary control of NUST as from the date on which he/she takes up residence at NUST or the day on which he/she commences studies or attends an orientation week or registers as a student, whichever is earliest, until NUST accepts a notice of withdrawal from me/us or the applicant fails to renew his/her registration on the due date;

That I/we accept that NUST keeps documents, including this Declaration and Agreement, electronically and distributes them as such. NUST shall at all times be entitled to utilize such documentation in electronic format for whatever purpose required and I/We agree that the electronically generated documents shall replace the originals signed by me;

That although NUST does not take any responsibility for informing parents or guardian or major fee contributor of disciplinary action against a student (whether pending or finalized), academic performance or any other matters relating to the student, NUST may in its discretion report to the parents or guardian or major fee contributor such breaches of the rules by the applicant as NUST deems necessary and further to report on any matter concerning progress, conduct, well-being or health of the applicant, and further that NUST may take all such steps as it considers reasonable in the event of the applicant becoming ill or requiring medical attention without NUST undertaking any legal obligation to do so.

APPENDIX TO APPLICATION FOR MASTER AND DOCTORATE APPLICATIONS

ALL FACULTIES

1. Curriculum Vitae (including three referees)
2. A short essay / letter of motivation providing reasons for wishing to enroll in the Master / Doctorate programme.

FACULTY OF COMMERCE, HUMAN SCIENCES AND EDUCATION: Harold Pupkewitz Graduate School of Business

For the Master of Business Administration (MBA) and Executive Master of Business Administration (EMBA) and Master of Leadership and Change Management (MLCM):

Applicants will be required to write an admission test based on a simplified numerical and analytical skills test modelled in line with internationally recognised Graduate Management Admission Test (GMAT) or a computer based test with similar predictive attributes concerning the applicant's general aptitude and proficiency. Applicants will be required to demonstrate proficiency in English language at the appropriate level through written assessments under controlled conditions and may also be required to take part in an interview. Alternatively, where appropriate, applicants are eligible to submit recent GMAT results in lieu of the admission test mentioned above.

Additionally;

For the Master of Leadership and Change Management (MLCM)

Between 400 – 600 words per question

- Write an essay illustrating three most important values you demonstrate as a leader and show how you have applied each of these leadership values in practice within your workplace.
- What is the most difficult situation you have encountered in your career and explain how you handled it? Explain how your career has benefited or suffered from that experience.
- Evaluate your career progress to date? Elaborate on your future career plans and your motivation for pursuing a graduate degree at Harold Pupkewitz Graduate School of Business.

OPTIONAL (no more than 350 words): If there is further information that you believe would help the admissions committee make a more informed decision, please elaborate.

For the Master of Business Administration (MBA) and Executive Master of Business Administration (EMBA):

Motivational letter providing reasons for enrolment into the programmes should be submitted.

FACULTY OF HEALTH, APPLIED SCIENCES AND NATURAL RESOURCES: Department: Agriculture and Natural Resource Sciences

For the **research-based Master and PhD programmes** of the faculty, applicants are expected to get in touch with the respective programme coordinator and head of department informally to determine suitability of a topic and availability of supervisor/s, before submitting their formal application together with a consent letter from the supervisor/s and a concept paper in lieu of motivation letter. Contact information can be found in the NUST Yearbook, Part 7 on the website at www.nust.na.

For the **course-based Master programmes** that have electives, the applicants are required in their motivation letter to identify which of the elective courses (from most interested to least interested) they would choose to follow.

FACULTY OF HEALTH AND APPLIED SCIENCES: Department: Health Sciences

The **Master of Health Sciences** at the Namibia University of Science and Technology (NUST) is a highly selective postgraduate degree programme by full thesis at NQF level 9 with limited intake. It aims at developing skilled individuals with the ability to conceptualise, develop and conduct applied research in the field of Health Sciences. As part of the screening process, you are required to submit a motivation essay of not more than 400 words stipulating the reason/s why you want to embark on the Master of Health Sciences Programme (MS word, Calibri 12, single spacing, justified). Please include your full name, cell number and email address.

Lastly, you are required to provide us with a one paged document indicating your proposed research topic, the problem statement, aim/s and objective/s, the significance of your study and source of funding (if any).

FACULTY OF ENGINEERING AND SPATIAL SCIENCES: Departments: Civil and Environmental Engineering and Mining, Mechanical and Process Engineering

Masters: The following master programmes are currently offered in the Faculty: Civil Engineering, Environmental Engineering, Industrial Engineering, Sustainable Energy Systems and Integrated Water Resources Management. Entry is open to candidates with a NQF level 8 Engineering degree or equivalent in related fields. As part of the screening process, you are required to submit a motivation essay of not more than 400 words stipulating the reason/s why you want to embark on the Master of Health Sciences Programme (MS word, Calibri 12, single spacing, justified). Please include your full name, cell number and email address.

Lastly, you are required to provide us with a one paged document indicating your proposed research topic, the problem statement, aim/s and objective/s, the significance of your study and source of funding (if any).

However, based on enrollment numbers (as specified by the Faculty/Department), a Master's degree programme might not be rolled out in a particular year even though the application is successful for a particular candidate. Applicants with letter of acceptance of not older than 3 years from the date of receipt of such letter do not have to go through the application process and will be given priority.

Doctor of Philosophy in Engineering: The Doctoral degree programme of the Faculty is highly rated and is offered at NQF level 10. Entry to this programme is open to candidates with a master degree at NQF level 9 or equivalent. The doctoral programme is fully by research and thesis only. Research topics must be related to any of the key Engineering disciplines and should also be linked to the applicant's sub-discipline/specialization at NQF level 9 or its equivalent.

Applicants must submit a detailed motivation containing the following: Proposed topic/anticipated area of research; preliminary research proposal indicating preliminary literature review, relevance of research to individual, country and global context; any works/research done that are related to the proposed research topic; details of preliminary consultations with any researchers/academics/ expert(s) in the field that might act as potential supervisor(s) (if carried out).
