

## Admission Requirements

### Undergraduate Programmes

Applicants must have scored at least 25 points in five subjects on the NUST admission point scale. This must include at least an E-symbol in English on NSSC Ordinary Level.

Individual faculties or programmes might require a higher point score or passes in English, Mathematics and Science on different levels.

Not all Faculties or programmes accept applications via the Mature Age Entry.

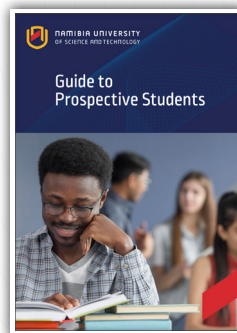

### Postgraduate Programmes

A recognised degree in a related discipline or an equivalent qualification at NQF Level 7 for Honours degree-, NQF level 8 for Master degree-, and NQF Level 9 for Doctorate degree programmes. Individual programmes may have additional admission requirements.

For further information regarding admission requirements, visit our website at [www.nust.na](http://www.nust.na), or download our Guide to Prospective Students at <https://admission.nust.na/>

## Important Information

### Application Fees

**Undergraduate:** N\$240

**Postgraduate:** N\$390

**Online:** Free (see important note below)

#### Important Note:

- Only applicants for undergraduate studies can apply online.
- Applications via special entry including Mature Age Entry Scheme, Advanced Standing and Resumption of Studies as well as applicants for postgraduate studies, must download application forms and submit manually.

### Applying Online

#### How do I apply online?

- Log on to the NUST Website at [www.nust.na](http://www.nust.na) and click on the Admissions link. Click on "online application".
- Read the notes at the top of each page before you continue to the next page.
- Some fields have drop-down lists to choose from.
- Click on the "Help button" if you get stuck.
- Part A and B, should be completed by first-time applicants only. Should you already have a student number from NUST, please login as a "Registered User".
- Our Admission Officers are on standby to assist you, should you have any problems you can send an email to [admissions@nust.na](mailto:admissions@nust.na) or call +264 61 207 2056.

### Deadline for Applications

#### Mature Age Entry:

- Tuesday, : 31 August 2022

#### All other applications:

- Friday, 30 September 2022

## Pocket Guide for Prospective Students 2023

## Faculty of Commerce, Human Sciences and Education

### Programmes

#### UNDERGRADUATE PROGRAMMES

##### Diploma in (NQF Level 6)

- Technical and Vocational Education and Training: Trainer (DTVt)
- Technical and Vocational Education and Training: Management (DTVM)

##### Diploma in (NQF Level 6)

- Theory of Accounting

##### Bachelor of (NQF Level 7)

- Accounting
- Accounting (Chartered Accountancy)
- Business Management
- Business and Information Administration
- Communication
- Criminal Justice in Correctional Management
- Criminal Justice in Policing
- Culinary Arts
- English and Linguistics
- Entrepreneurship
- Hospitality Management
- Human Resources Management
- Marketing
- Procurement and Supply Chain Management
- Public Management
- Sport Management
- Tourism Innovation and Development
- Transport Management

#### POSTGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 8)

- Accounting Honours
- Business Management Honours
- Communication Honours
- Criminal Justice Honours
- Economics Honours
- English and Linguistics Honours
- Hospitality and Tourism Management Honours
- Human Resources Management Honours
- Industrial and Labour Relations Honours
- Logistics and Supply Chain Management Honours
- Marketing Honours
- Public Governance Honours
- Transport Management Honours

##### Postgraduate Diploma in (NQF Level 8)

- Management
- Procurement Management

##### Master of (NQF Level 9)

- Business Administration\*
- English and Applied Linguistics
- Human Resources Management
- Leadership and Change Management\*
- Logistics and Supply Chain Management
- Management
- Marketing

##### Executive Master of (NQF Level 9)

- Business Administration\*

**Note:** Commencement date for programmes indicated with an asterisk (\*) will be in July 2023.

## Faculty of Computing and Informatics

### Programmes

#### UNDERGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 7)

- Computer Science
- Computer Science in Cyber Security
- Informatics
- Journalism and Media Technology

#### POSTGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 8)

- Computer Science Honours (specialising in Communication Networks, Software Development, Information Security or Digital Forensics)
- Informatics Honours (specialising in Web Informatics or Business Informatics)
- Journalism and Media Technology Honours

##### Postgraduate Certificate in (NQF Level 8)

- Informatics (Information Systems Audit)

##### Master of (NQF Level 9)

- Computer Science
- Data Science
- Informatics
- Journalism and Media Technology

##### Doctor of Philosophy in (NQF Level 10)

- Computer Science
- Informatics

**Note:** This Faculty does not accept applications via Mature Age Entry, except for the Bachelor of Journalism and Media Technology.

## Faculty of Engineering and the Built Environment

### Programmes

#### UNDERGRADUATE PROGRAMMES

##### Bridging Programme:

- Introduction to Science, Technology, and Engineering and Mathematics (InSTEM)

##### Diploma in (NQF Level 6)

- Geomatics\*
- Property Studies\*

##### Bachelor of Technology in (NQF Level 7)

- Civil Engineering
- Electronic Engineering
- Mechanical Engineering
- Power Engineering

##### Bachelor of (NQF Level 7)

- Architecture\*
- Geomatics
- Geoinformation Technology\*
- Land Administration\*
- Quantity Surveying \*
- Regional and Rural Development\*
- Town and Regional Planning\*

##### Bachelor of Engineering in (NQF Level 8)

- Civil Engineering
- Chemical Engineering
- Electronics and Telecommunications
- Industrial Engineering
- Mechanical Engineering
- Metallurgy
- Mining Engineering
- Power Engineering
- Property Studies

**Note:** The Faculty does not accept applications via Mature Age Entry, except for UNDERGRADUATE PROGRAMMES indicated with an asterisk (\*). These applicants must have relevant experience in the chosen fields.

#### POSTGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 8)

- Architecture Honours
- Geomatics Honours
- Geoinformation Technology Honours
- Land Administration Honours
- Regional and Rural Development Honours
- Urban and Regional Planning Honours

##### Master of (NQF Level 9)

- Architecture
- Engineering in Civil Engineering
- Environmental Engineering
- Industrial Engineering
- Integrated Water Resources management
- Engineering in Metallurgy
- Landscape Architecture
- Spatial Science
- Sustainable Energy Systems

##### Master of (NQF Level 9)

- Engineering

##### Doctor of Philosophy (NQF: 10)

- Engineering

## Faculty of Health, Natural Resources and Applied Sciences

### Programmes

#### UNDERGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 7)

- Emergency Medical Care\*
- Horticulture\*
- Natural Resources Management\*
- Science
- Science in Agriculture\*
- Science in Applied Mathematics and Statistics
- Science in Health Information Systems

#### POSTGRADUATE PROGRAMMES

##### Bachelor of (NQF Level 8)

- Medical laboratory Sciences
- Environmental Health Sciences
- Human Nutrition\*
- Emergency Medical Care Honours
- Science Honours in Applied Mathematics
- Science Honours in Applied Statistics
- Science Honours in Health Information Systems Management
- Science Honours (specialising in Applied Biology, Biotechnology, Applied Chemistry and Applied Physics)
- Science in Agriculture Honours
- Natural Resources Management Honours

##### Postgraduate Diploma in (NQF Level 8)

- Applied Radiation Science and Technology

##### Master of (NQF Level 9)

- Agribusiness Management
- Health Sciences
- Natural Resources Management
- Science in Applied Mathematics
- Science in Applied Statistics
- Science in Natural and Applied Sciences

##### Doctor of Philosophy in (NQF Level 10)

- Health Sciences
- Mathematics
- Natural Resources Sciences
- Statistics

**Note:** Applications via Mature Age Entry is not accepted in this faculty, except the programmes indicated with an asterisk (\*). These applicants must have relevant experience in the chosen fields.
