FEEDBACK TUTORIAL LETTER

1st SEMESTER 2019

ASSESSMENT 2

FOR

LANGUAGE AND TECHNOLOGY

LAT511S
Dear Student

Thank you for submitting your second assignment on time. It was our pleasure to mark it. Hope your marks are good as this is your last assignment. It was evident that the comments given in the previous assignment were worked on, although some students still struggle to reference. Please read more on referencing. Plagiarism is a serious offense and needs to be redressed. Always read and simply summarise information and not copy verbatim. Remember that you usually lose marks for not following instructions. There is still a need to work on how you structure your paragraphs.

Read the comments that you find in your assignment. We wish you all the best for the upcoming examinations. If there is anything that you are still unsure of, do not hesitate to contact the marker-tutor.

We hope to see you at the June examinations.

Regards,

Anneli Nghikembua (Ms)
