

Office of the Registrar

TO: NUST First-year Students (new intake) & Senior International Students

DATE: Friday, 19 February 2021

SUBJECT: **UPDATE ON REGISTRATION DATES AND PROCESS**

1. Kindly note that **registration period for new students has been extended to Friday, 26 February 2021**. New students who have not received feedback on their admission status, have the opportunity to register during the week of 22-26 February 2021, without having to pay the late registration fee. This is only applicable to cases where the applicants meet the admission requirements.
2. Kindly note that all **senior international students are permitted to register during the week of 23-26 February 2021. This will enable** international students to apply for study permits before the visa application due date of 28 February 2021.
Please pay the registration deposit and contact your respective Faculty Officer.
3. New students who have received text messages, stating that they have been fully admitted, are encouraged to visit campus to pay the required registration deposit. Payments made via this method will reflect on the system immediately, thereby enabling students to proceed to online registration. New students who are not in Windhoek, can make deposits directly into the NUST bank account (visit www.nust.na for details).
