

NAMIBIA UNIVERSITY
OF SCIENCE AND TECHNOLOGY

Faculty of Computing
and Informatics

APPLY NOW

Collaborative Online International Learning (COIL) Project

5G for Business and Entrepreneurship in Emerging Markets

The opportunity is open to:

Registered undergraduate and Master's by coursework Namibia University of Science and Technology (NUST) students from the **Computer Science, Software Engineering, Cyber Security, Informatics, and Electrical, Electronic, Power, and Telecommunications Engineering** degree programmes.

Why Participate?

- Gain global perspectives on technology and business
- Develop real-world solutions using 5G innovations
- Boost your entrepreneurial skills in a digital economy
- The best student stands a chance of being selected for an **exchange opportunity at Aalto University, Finland, in Semester 1 of 2027** - subject to being a registered student at that time.

Spaces are limited; we can accommodate only 25 students. APPLY NOW!

Access forms at <https://forms.office.com/r/m7rnjwz80i> or SCAN the QR Code.

Closing date: 29 March 2026

Notification of application outcome: 10 April 2026

Start date: 20 April 2026
