

GIPE+ 2026

Global Intercultural Project Experience

Let's transform Quilca's farmlands in Arequipa, Peru — improving farmers' lives through smarter, sustainable, and innovative agriculture.

Project Duration March-May 2026

Global Intercultural Project Experience (GIPE++) is a three-year program funded by DAAD (2025-2027), building upon the success of GIPE (2019-2023). The initiative brings together four (4) partner universities across four countries and continents: Westphalian University of Applied Sciences (Germany), Atma Jaya Catholic University of Indonesia (Indonesia), Namibia University of Science and Technology (Namibia), and Universidad Católica San Pablo (Peru).
