**MEDIA RELEASE: Appointment of Deputy Vice-Chancellors at the
Namibia University of Science and Technology (NUST)**

The Council of the Namibia University of Science and Technology (NUST) is pleased to announce the appointment of two Deputy Vice-Chancellors, following its meeting held on Thursday, 27 November 2025. These appointments mark an important milestone in strengthening the leadership capacity of the University and advancing its strategic priorities.

In line with its statutory mandate and after a rigorous and transparent recruitment process, the Council approved the appointment of:

- 1. Prof Colin Stanley as the Deputy Vice-Chancellor: Research, Innovation and Partnerships**
- 2. Prof Teresia Kaulihowa as the Deputy Vice-Chancellor: Teaching, Learning and Technology**

Both Deputy Vice-Chancellors will assume duty on 01 February 2026.

These appointments reflect the Council's commitment to ensuring that NUST continues to excel as a leading institution of higher learning in Namibia and the region. Prof Stanley and Prof Kaulihowa bring extensive academic expertise, leadership experience, and proven track records in their respective fields. Their strategic insights and innovative approaches will support NUST's vision to drive impactful research, strengthen academic excellence, and advance digital transformation.

Council congratulates Prof Stanley and Prof Kaulihowa and wishes them well as they take up these important leadership roles. Finally, the Council extends its appreciation to all candidates who participated in the recruitment process.
