FOR IMMEDIATE RELEASE

01 APRIL 2025

NUST ANNOUNCES EXECUTIVE VACANCIES

The Council of the Namibia University of Science and Technology (NUST) herewith announces the following executive vacancies and update on recruitment:

1. Recruitment Process for Deputy Vice-Chancellor: Research, Innovation & Partnerships

This position has been advertised, and the shortlisting process has commenced. The Council shall endeavour to fill the position as soon as practically possible. An acting arrangement has been made to ensure operational continuity.

2. Recruitment Process for Deputy Vice-Chancellor: Teaching, Learning & Technology

The contract of the incumbent shall lapse on 30 June 2025. The Council has resolved to advertise the position and finalise the recruitment process. The Council has also taken necessary steps to avoid operational disruption in the Teaching, Learning and Technology Department and ensure smooth transition once the recruitment process has been finalised.

3. Vice-Chancellor Recruitment Process

The employment contract of the incumbent shall lapse on 31 December 2025. The incumbent has been duly notified, and all statutory formalities have been satisfied.

The Council has resolved to advertise the position and finalise the recruitment process in earnest. The Council has also taken necessary steps to avoid operational disruption in the Office of the Vice-Chancellor and ensure smooth transition once the recruitment process has been finalised.

The Council is committed to upholding principles of accountability and transparency and finalise all recruitment processes within a reasonable period, to ensure business continuity and organisational sustainability. Council also encourages all persons who meet the respective job requirements and embody the values, mission and vision of NUST to participate in the recruitment process.

Issued by:

Dr Leake S Hangala

NUST Council Chairperson
